

CENTENARY CELEBRATIONS

PRESENTS

The Greenways to St Philip's

A slide show presentation by Mike Gee

Thursday 9th May 2019 at 7-30pm

St. Philip's Parish Centre

The direct route from Gravel Hill to East Finchley tube station and back again is 3.4 miles but on our armchair tour we will take a more elaborate 7.8 mile circular green route that will take you to places you may not know existed. We will visit: parks, gardens, woods, meadowland, playing fields, tennis courts, secret greens, open spaces, an archery field, open air theatre, brooks, a cascading water garden, giant lake with 25' spouting water fountain and Finchley's only working boat – all without venturing more than 1.9 miles from St. Philip's Parish Centre. Part of this slide show will form the basis for our Centenary Walk on Sunday 19th May.

AN EVENING NOT TO BE MISSED
